EMILY GURR

The Palm Beach fashion student and model is showing off shorties from Spell Designs. "These little black Fleetwood inspired shorts are so versatile, with a basic white cami top and my mum's vintage tailored jacket from the late 1980s." Layering fine gold chain necklaces from Brisbane label YCL jewels finishes the look.

NICKY NELSON

Palm Beach's Nicky is a fan of the simplicity of denim, in a Uniqi dress. "The leather nude wedges are my go-to because they are just so comfortable and the bag from Joy Hysteria adds a touch of fun. I dress for my mood, so I can swing from Melbourne chic to Byron boho," she says.

CARLENE DUFFY

When the Tallegbudgera interior stylist debuted on *The Block* we were her No.1 style supporters. "I love a layered look so these Sass and Bide shorts with silk half skirt are right up my alley. I also like a masculine twist, which the Sportsgirl blouse, neck tie, and Tara Jarmon blazer achieves."

GABRIELLE EPSTEIN

Instagram queen Gabrielle Epstein is effortlessly cool in denim cut-offs and comfy kicks. "I love casual chic - feminine with a bit of edge," says the model, who is based in Broadbeach. Fine layered jewellery makes the look hers.
